

Large Item Pick up and Drop off Services Now Available for all residents of Sangamon County

Sangamon County has announced the start of the Large Item Pick-up Program which expands the current City of Springfield Large Item Pick-up Program.

This program allows eligible residents to schedule a pick-up or drop-off of large items not typically accommodated by regular waste management services. All eligible residents qualify for free scheduled curbside pick-up of up to six items per year. Pick-ups can be divided into two transactions.

Eligible items include furniture, appliances, mattresses, and other bulky household items.

RESTRICTED items include hazardous materials, tires, TVs, and other electronic goods.

Upon scheduling a pick-up, residents will receive detailed instructions and guidelines for preparing their items for collection. The program prioritizes environmentally friendly disposal methods, including recycling, repurposing, or appropriate disposal at designated facilities, in alignment with Sangamon County's commitment to sustainable waste management practices.

Residents must schedule pick-ups and drop-offs in advance by contacting Habitat for Humanity of Sangamon County at 217-523-2710 Monday through Friday 9am-4pm or by scheduling online at habitatsangamon.vonigo.com/external/.
